

City of Stayton Master Plan

Strengthening the Future

Please join us at an open house at the Stayton Public Library to learn more about the continuing efforts under way to develop a Master Plan for the City of Stayton's public facilities. You will hear from City staff and the Architecture and Engineering consultants, Mackenzie, as they introduce the initial conceptual site designs for the City's facilities.

Mackenzie will provide insight into the process and their conceptual master plan for the following City of Stayton facilities:

- Family Memorial Pool
- Public Library
- Community Center
- City Hall
- Police Station
- Public Works and Planning

The Master Planning team would like to hear from you!

Wednesday, March 25 | 6:00pm
at Stayton Public Library
